

Stamford American
INTERNATIONAL SCHOOL

JOB DESCRIPTION

Cognita Schools are committed to safeguarding and promoting the welfare of children and young people and expects all staff, volunteers and other third parties to share this commitment. Safer recruitment practice and pre-employment background checks will be undertaken before any appointment is confirmed.

Position Title	Speech and Language Therapist, SSD	Reference: NOV2024SSD
Function/Department	Student Support Services	Location: Stamford
Manager Name & Title	Director of Student Support Services	
Position Type	Fixed Term	
Position Status	Full Time	

Position Objective

The Student Support Department (SSD) is looking for a highly qualified, licensed Speech and Language Therapist (SLT) with previous experience in school-based therapy to join our expanding team of multi-disciplinary professionals. Utilizing a MTSS (Multi-Tiered Systems of Support) Model, the primary role of the SLT is to provide a range of interventions and consultation to the school community to increase students’ speech and language development across all learning environments.

Responsibilities

The job holder’s responsibility for promoting and safeguarding the welfare of children and young person’s for whom they are responsible, or with whom they come into contact will be to adhered to and ensure compliance with the relevant Cognita Safeguarding; Child Protection Policy and Procedures at all times. If in the course of carrying out the duties of the role, the job holder identifies any instance that a child is suffering or likely to suffer significant harm either at school or at home, they must report any concerns to the School’s Designated Safeguarding Lead or to the Head or indeed to the Cognita Regional Safeguarding Manager so that a referral can be made accordingly to the relevant third party services.

Delivers effective and efficient intervention to students across a variety of settings

- Utilizes a range of evidence-based strategies to successfully carry out speech and language therapy
- Conducts intervention with students using appropriate resources in small group and in-class settings
- Establishes positive, safe, and trusting relationships with young children and their families to encourage student progress related to their speech and language development
- Provides consultation to teachers, parents, and other service providers in order to foster greater speech and language development for students of concern
- Participates on a multi-disciplinary team of professionals by utilizing strengths-based approach
- Prepares and disseminates professional resources according to student need
- Offers ongoing support to faculty, staff, and parents in order to accelerate student growth
- Collaborates with related (internal/external) services providers
- Establishes and maintains ongoing professional collaboration with service providers on and off campus to maximize student impact on speech and language development
- Regularly assesses students’ speech and language needs within the school environment
- Clearly evidences clinical reasoning through delivery and interpretation of assessment
- Collects and analyzes screening and progress monitoring data to identify student need, modify intervention, and report progress to parents, faculty, staff, and administration
- Summarizes assessment results and incorporates information into an appropriate support plan
- Serves as a case manager for students receiving support services
- Gathers relevant background information related to students’ speech and language needs
- Maintains updated and accurate student files which adhere to high levels of confidentiality
